RESPONSES TO REGULATION 14 COMMENTS & AMENDMENTS TO NEIGHBOURHOOD PLAN POLICIES T1-T5, GI5 & SCC1-SCC2

T1 - Provision and Enhancement of Cycle Paths

Steering Group members agreed the proposed changes to Policy T1 and the draft responses to Regulation 14 comments received.

T2 - Access to the Bus Network

Comment to be added to the Design Guide to require that new bus shelter windows are constructed using toughened glass, rather than plastic/perspex. This is in keeping with Chippenham Town Council's 3-year programme to replace plastic bus shelter windows, beginning in 2023/24.

Members agreed the remaining proposed changes to Policy T2 and the draft responses to Regulation 14 comments received.

T3 - Electric Vehicle Charging Infrastructure

Policy amended to require, rather than encourage, new developments with only on-street parking to provide electric vehicle charging capability.

Members agreed to revisit this Policy to see if it could be strengthened beyond what is now required by Building Regulations. AC/AP/DW/NM to investigate further and come back with a revised Policy in due course if possible.

T4 - Access for Disabled People and those with Reduced Mobility

Members agreed the remaining proposed changes to Policy T4 and the draft responses to Regulation 14 comments received.

T5 - Waymarking Signage on the Footpath Network

Members agreed the remaining proposed changes to Policy T5 and the draft responses to Regulation 14 comments received.

GI5 - Green Buffers (New Revisions)

Members agreed the remaining proposed changes to Policy GI5 and the draft responses to Regulation 14 comments received.

Policy SCC1 - Net Zero Carbon Development (New Revisions)

Members agreed the remaining proposed changes to Policy SCC1 and the draft responses to Regulation 14 comments received.

Policy SCC2 - Sustainable Design and Construction (New Revisions)

	Members agreed the remaining proposed changes to Policy SCC2 and the draft responses to Regulation 14 comments received.
